

National Hereditary Breast Cancer Helpline

£10

per entrant

A WALK IN THE PARK Loch at Strathclyde Park, Glasgow.

Join us for a walk in Strathclyde Park, all ages and abilities welcome, its not a race... it's a gentle walk in beautiful surroundings to raise awareness of Hereditary Breast Cancer.

Wear something pink or a bra over your top for a chance to win tickets to M&d theme park.

There will be home baking and activities for the kids ie: face painting, other activities to be confirmed.

The walk will start at 2.00pm on 30th October, registration at the bandstand by the Loch from 12 noon, culminating with a balloon release at 3pm.

For more information and a Walk In The Park pack please contact Lorraine Fegan: lorraine.fegan@gmx.com or deesmith2512@hotmail.com
