WALK IN THE PARK Queens Park , Chesterfield.

Join **Becky Measures** for a 'bra' walk in Queens Park, all ages and abilities welcome, its not a race... it's a gentle walk in beautiful surroundings to raise awareness of Hereditary Breast Cancer.

'Just for fun' it would be great if everyone would wear a Bra or Bra's on the outside of their clothes, as many as you want.

Activities for the kids ie: Fun Fair, Face painting, Bouncy castle (weather permitting) and the biggest Bra in the world will be on show. Dogs are welcome but please keep them on a lead.

All walkers should meet at the bandstand on 30th October at 11.30, the walk will start around 12.30 with a balloon release at 3pm.

For more information and a Walk In The Park pack please contact Vicki Newbold: vnewbold1@hotmail.co.uk
